Throughout my works I have attempted to incorporate supporting scripture for the convenience of the reader. In doing such I may, or may not, follow the appropriate manuscript style as stated in the Fifth Edition of the Publication Manual of the American Psychological Association (APA) or any other accepted manuscript guide. While acknowledging the authority of the APA there is a clause used in the stated manual which needs to be inserted herein:

The Publication Manual presents explicit style requirements but acknowledges that alternatives are sometimes necessary; authors should balance the rules of the Publication Manual with good judgment. Preface: p. xx.

Introduction

Time seems to be slipping by at an accelerated speed. Yes! The clocks still indicate that there are twenty-four hours in a full day but, the days are passing, what seems to be, quickly. Along with the acceleration of the days, there is the increase in information in every corner of our existence. There are news networks, printed newspapers, television newscasts on the internet and across the air waves. But, what is the truth and how do we, the normal citizens of the United States, know what is true and what is false? There used to be news gathering services, such as the Associate Press (AP) and Reuters, that provided news articles from around the world and your local newspaper would have a dateline entry to inform you where the news event happened. I, at a much younger age, thought those services reported news in truthful manners. Now days, I'm not sure with the misinformation, the word smithing of events and the input from the "Deep State", I don't know what to believe and what not to believe. In some ways these are the reasons that God instructed me, in my capacity of a watchman, to gather and pass on certain current events that you really need to know about, and of which, to be very much aware.

There are certain denominations that present a news magazine along with their other sources of ministry. These news magazines manage to present current events, I pray, in a truthful manner. I say this in all honesty. What they present never tells the source of their information. However, I have to accept it as truth because of the laws of the land. To tell lies and slander individuals are criminal acts that are punishable by the laws of the land. Yet, these various magazines continue to tell of the events that are happening around the United States and around the world with no closing down of their magazine publications, no raids on their administration offices, no closings of their college campus and no removal of their television broadcast from off the Christian broadcasting channels on the television. There has to be a reason for all of this.

Here is an example of what I'm attempting to get you to understand. The September 2024 issue of the *Philadelphia Trumpet*, printed by the Philadelphia Church of God denomination out of Edmond, Oklahoma, reads: "Why is God Protecting This Man" and has a picture of Donald J. Trump with blood on the corner of his mouth and his fist raised into the air. Maybe that is the answer! God is not only protecting our ex-President Trump, but He is also protecting certain news sources as being truthful.

That brings me to my current situation. God seems to be pressing me to write another warning to those who have found my website, www.vqpub.org. As a watchman, I must get as much truth and news out, to those who will listen, as humanly possible. There have been those days over the last forty years of study, researching and writing that I have used articles from denominational printed material as the basis for a book or a booklet. There are two other sources that are closely aligned with *The Trumpet* magazine. They are: *Tomorrow's World*, printed by the Living Church of God in Charlotte, North Carolina, and *Beyond Today*, printed by the United Church of God in Cincinnati, Ohio.

Now, I must state that while I read their material, I do not believe all of their doctrine statements as being correct. At one point in time these three, and other offshoots, were all together under the Worldwide Church of God started by Herbert W. Armstrong. There are many who now proclaim that any use of the title, Church of God, is some type of cult and that all of the teaching of Herbert Armstrong is completely wrong. In many ways, those who proclaim this statement base their reasoning on the teaching that England and the United States are the ancient Israeli tribes of Ephraim and Manasseh, therefore the holders of the birthright of Abraham, Isaac and Jacob. In my forty years of study, I have written at least three books that trace the blood line and the birthright of these patriarchs. Herbert Armstrong was correct in his teaching. It is the bias of the other denominations that is incorrect in their teaching of a counterfeit Christian religion. We shall go through more of that statement in this work. Read on to find the supported truth from God's Word. The Bible is the source of the *NON-Secret Intelligence Report*.

Crisis in Israel - Oct 7, 2023

Saturday morning, a Sabbath, and people are resting, some even sleeping, when farming communities close to the border with Gaza are attacked by Hamas terrorist from the Gaza Strip. Through this invasion, there are over 1200 Israeli citizens murdered and another 200 plus taken captive back to Gaza as prisoners. What just happened? How did the actions of the event make it to the news media? What was the reaction of the civilized world? What has happened since that date?

Israel, as a sovereign nation, immediately declared war against the terrorist. Notice that this was a declared war against a terrorist organization supported by Iran, and not a declared war against the Palestinian people who live in the Gaza Strip. The initial reaction of the world is one of support for Israel. Nations around the globe are in horror over the actions of Hamas, but it didn't take long for the tide to change. First, many of the terrorist were wearing body cameras to record what they did. It was their recorded videos that the news outlets were using to show what they did and how terrible their actions really were. Somehow, through the propaganda of the Hamas leadership, it was proclaimed that the reason for the attack was Israel's fault, and the cry went out for a new slogan of "From the river to the sea, Palestine will be free" to be chanted on college campus after college campus in the United States. Once again, we see the misinformation and lack of learning truth and practical things from our college campuses. Do you realize that most gen-zers can not tell time on a clock with hands, cannot make change for any monetary transaction that involves paper or coinage in the transaction, and they do not know how to either read or write cursive English, their mother tongue. However, through their misguided teaching, they think that Israel is now in the wrong for attacking Gaza. Countries around the world picked up the theme and began to proclaim Palestine as a newly established country. The truth is that of the 193 member nations of the United Nations that 146 of these nations now support Palestine as a new nation. Let's begin our *NON-Secret Intelligence Report* with a statement toward these 146 nations that are supporting Palestine. We find this is Genesis 12:3. ³ *I will bless those who bless you, and him who dishonors you I will curse, and in you all the families of the earth shall be blessed.*" (ESV) It would seem that those nations who are supporting Palestine are placing a curse upon themselves by their own choice. God will bring His curse upon those who dishonor Him or His chosen people. Mankind, in their national administration functions, will not stop the wrath of God!

The administration of the United States has taken it upon itself to be big brother to Israel and interfere in the internal affairs of that sovereign nation as to how they should fight this war. The United States leads the world in the support for what they call a "Two-State Solution" to the problem. Time for another *NON-Secret Intelligence Report* statement. God, in His position as creator of the universe has declared to Abraham the territory that He gave to Israel. The fact of the matter is that the present land territory of Israel doesn't even compose the full land area that God gave Israel. The source of the intel is Genesis 15:18-21. ¹⁸ *On the same day the Lord made a covenant with Abram, saying: "To your descendants I have given this land, from the river of Egypt to the great river, the River Euphrates—¹⁹ the Kenites, the Kenezites, the Kadmonites,²⁰ the Hittites, the Perizzites, the Rephaim,²¹ the Amorites, the Canaanites, the Girgashites, and the Jebusites."* (NKJV) Here is the question. Why would God give that amount of land to Israel? If Christians would only stop and think for only a moment they should come to the answer that: ALL ISRAELI TRIBES WILL RETURN TO THE LAND OF ISRAEL. They will need that land territory to accommodate all those of the scattered ten tribes of the House of Israel. We find this recorded in Ezekiel 37:15-23. ¹⁵ *The word of the Lord came to me:* ¹⁶ *"Son of man, take a stick and write on it, 'For Judah, and the people of Israel associated with him'; then take another stick and write on it, 'For Joseph (the stick of Ephraim) and all the house of Israel associated*

with him.¹⁷ And join them one to another into one stick, that they may become one in your hand.¹⁸ And when your people say to you, 'Will you not tell us what you mean by these?'¹⁹ say to them, Thus says the Lord God: Behold, I am about to take the stick of Joseph (that is in the hand of Ephraim) and the tribes of Israel associated with him. And I will join with it the stick of Judah, and make them one stick, that they may be one in my hand.²⁰ When the sticks on which you write are in your hand before their eyes,²¹ then say to them, Thus says the Lord God: Behold, I will take the people of Israel from the nations among which they have gone, and will gather them from all around, and bring them to their own land.²² And I will make them one nation in the land, on the mountains of Israel. And one king shall be king over them all, and they shall be no longer two nations, and no longer divided into two kingdoms.²³ They shall not defile themselves anymore with their idols and their detestable things, or with any of their transgressions. But I will save them from all the backslidings in which they have sinned, and will cleanse them; and they shall be my people, and I will be their God. (ESV) From these verses, we should see enough to provide an idea that the birthright of Israel does exist outside the present day border of the current country of Israel. In fact, it rests in the hand of Ephraim but there is no country that is given in text that would identify where the tribe of Ephraim is now located.

In other words, I believe what God recorded in His Holy Word and I do not believe the statements of men. There will never be a two state solution concerning the Palestinians. Let's ask one more question. In the makeup of the Kingdom of God, led by the government of Yeshua, will there be a Palestinian nation? You tell me! There is one record found in the King James. We find this in Joel 3:1-8. ¹ For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem, ² I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land. ³ And they have cast lots for my people; and have given a boy for an harlot, and sold a girl for wine, that they might drink. ⁴ Yea, and what have ye to do with me, O Tyre, and Zidon, and all the coasts of **Palestine**? will ye render me a recompence? and if ye recompense me, swiftly and speedily will I return your recompence upon your own head; ⁵ Because ye have taken my silver and my gold, and have carried into your temples my goodly pleasant things: ⁶ The children also of Judah and the children of Jerusalem have ye sold unto the Grecians, that ye might remove them far from their border. ⁷ Behold, I will raise them out of the place whither ye have sold them, and will return your recompence upon your own head: ⁸ And I will sell your sons and your daughters into the hand of the children of Judah, and they shall sell them to the Sabeans, to a people far off: for the LORD hath spoken it. (KJV) If anything, it sounds as if God has a certain wrath for the peoples of Palestine.

Let's go one-step further. What is all of this anti-Semitic rhetoric going on? Why has this infiltrated everything from the United Nations headquarters in New York City, to many college campuses and even nowadays to other nations around the world. Don't people realize that their carrying of placards and shouting slogans is the same as cursing the land of Israel and the people of Israel? What are many of these college students going to do when they learn the truth, that they are descendants of those two tribes that were the sons of Joseph. Remember it is Ephraim and Manasseh that are the sons of Joseph, who received the birthright from their father after he took it away from Reuben. Our intel verse is 1 Chronicles 5:1. ¹ The sons of Reuben the firstborn of Israel (for he was the firstborn, but because he defiled his father's couch, his birthright was given to the sons of Joseph the son of Israel, so that he could not be enrolled as the oldest son; (ESV)

To continue with the present day situation in Israel, we must look at some of the wars that are to take place which involves the nation of Israel. The first of these wars may be the Psalms 83 war. Now, I must make two quick statements. First, I am not a prophet, I'm a watchman and I do not know if this is the current war that is going on with Hamas. As a watchman, I can only give you the information to become aware of and to know what is said in God's Word. As such, I present to you the entire 83rd

chapter from Psalms. Second, I know that Hamas is represented in these verses along with Hezbollah. What I do not know is whether this will escalate to include those other nations that are named in these verses. Here is Psalms 83:1-18. ¹ *A song. A Psalm of Asaph. Do not keep silent, O God! Do not hold Your peace, And do not be still, O God!* ² *For behold, Your enemies make a tumult; And those who hate You have lifted up their head.* ³ *They have taken crafty counsel against Your people, And consulted together against Your sheltered ones.* ⁴ *They have said, "Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more."* ⁵ *For they have consulted together with one consent; They form a confederacy against You:* ⁶ *The tents of Edom and the Ishmaelites; Moab and the Hagrites;* ⁷ *Gebal, Ammon, and Amalek; **Philistia** (Gaza) with the inhabitants of **Tyre** (in Lebanon-could represent Hezbollah);* ⁸ *Assyria also has joined with them; They have helped the children of Lot. Selah* ⁹ *Deal with them as with Midian, As with Sisera, As with Jabin at the Brook Kishon,* ¹⁰ *Who perished at En Dor, Who became as refuse on the earth.* ¹¹ *Make their nobles like Oreb and like Zeeb, Yes, all their princes like Zebah and Zalmunna,* ¹² *Who said, "Let us take for ourselves The pastures of God for a possession."* ¹³ *O my God, make them like the whirling dust, Like the chaff before the wind!* ¹⁴ *As the fire burns the woods, And as the flame sets the mountains on fire,* ¹⁵ *So pursue them with Your tempest, And frighten them with Your storm.* ¹⁶ *Fill their faces with shame, That they may seek Your name, O Lord.* ¹⁷ *Let them be confounded and dismayed forever; Yes, let them be put to shame and perish,* ¹⁸ *That they may know that You, whose name alone is the Lord, Are the Most High over all the earth. (NKJV)*

To those who wonder if this is the beginning of World War III, the answer is, NO! There are other wars that must take place in the Middle East prior to the one to be known as WW III.

The Assassination Attempt on Donald J. Trump

In the pages of the September 2024 issue of the *Philadelphia Trumpet* the first article is the one I used as an example, “Why Is God Protecting This Man?” Gerald Flurry, Editor of *The Trumpet*, made two statements in his opening article. The first statement actually is part of a paragraph and I quote the full paragraph.

“Trump is alive in spite of what one commentator called ‘apocalyptic’ security failures. The Secret Service allowed this to happen. We will learn more as time goes on, but we know that many people in the intelligence community and in the federal agencies are desperate to keep Donald Trump from returning to power. **Evil people want him dead.** Could there be anything more despicable than trying to kill a president?”

The second quote is another short paragraph further into Mr. Flurry’s article. Once again I quote the full paragraph.

“Think about this: God also allowed the Democrats to steal the last election from President Trump. Why? God allowed the Biden administration, and the Obama administration before him, to do enormous damage, working to ‘fundamentally transform’ America. Why? **And now He is clearly preserving Trump’s life to bring him back into the presidency.** Why now, and what will happen next?”

Mr. Flurry’s answer to these two statements is simply. **They are both the result of prophecy from the Word of a Holy God!** Let’s insert another *NON-Secret Intelligence Report* statement here. This one comes from the book of Daniel and we find it recorded in Daniel 2:20-23. ²⁰ *Daniel answered and said: "Blessed be the name of God forever and ever, For wisdom and might are His. ²¹ And He changes the times and the seasons; **He removes kings and raises up kings;** He gives wisdom to the wise And knowledge to those who have understanding. ²² He reveals deep and secret things; He knows what is in the darkness, And light dwells with Him. ²³ "I thank You and praise You, O God of my fathers; You have given me wisdom and might, And have now made known to me what we asked of You, For You have made known to us the king's demand."* (NKJV) Mr. Flurry made three other statements on the next page of his article. These three statements go even deeper into the mystery and the explanation of what is currently happening in the United States. Again, I will quote full paragraphs.

“There is a *spiritual war* going on over the future of America! I have written (Mr. Flurry) a lot regarding 2 Kings 14:26-28 (a prophetic passage from a part of the Bible called the ‘former prophets’) about an effort to ‘**blot out the name of Israel from under heaven.**’ As *The United States and Britain in Prophecy* proves, the most prominent modern descendants of ‘Israel’ are the Americans!

But verse 27 concludes, ‘but He (God) *saved them* by the hand of Jeroboam the son of Joash.’ This historical account of God using a man to save the nation is actually a prophecy about America today. Donald Trump is a *modern Jeroboam.*”

The second statement follows:

“Understand: I would know nothing about where this story is going if not for Bible prophecy! *I have no special insight of my own.* I am just a puny, insignificant man! **But there is a living God in Heaven who not only alters the course of bullets to**

protect a man for His purposes, but who has revealed this truth because He wants us to see His hand in these events!”

The third statement concludes Mr. Flurry’s article. Here is that statement:

“The months ahead are going to be extremely intense for America, and in the longer term, **prophecy warns of unparalleled suffering for our nation!** It also explains why God is allowing all this to happen. **It is correction from a loving Father, and we need to be paying attention to Him.**”

My statement, as a watchman, it is my duty to provide to you a warning. This is so stated just above in the final statements of Mr. Flurry. God’s purpose is also simple. He wants mankind to repent of their sinful nature, accept His Son Yeshua as your Lord and Savior, and give honor to the glory of God. All of prophecy is geared toward having man to honor and glorify God. It is that simple!

At this point, I shift from the first article in the September issue of *The Trumpet* to the second article entitled, *The Truth About the Assassination Attempt*, written by Stephen Flurry (Gerald’s son) and Andrew Miller. This is a lengthy article covering 5 full pages of material to trace the movements of Thomas Crooks and the security failures surrounding the rally at the Butler Farm Show Grounds where there was an attempted assassination of Donald Trump. As I did for his father’s opening article, I will quote the first three paragraphs to begin this portion of this *NON-Secret Intelligence Report*.

“Serious questions surround how a 20-year-old nursing home dietary aide with no military training evaded security services and fired six to eight rounds at Donald Trump with an AR-style weapon. The first shot would have pierced President Trump’s head had he not pivoted at the last millisecond.

The near assassination of Donald Trump presents the biggest crisis in the United States Secret Service’s 159-year history. Presidents have been shot before, but no previous assassination attempt has been this preventable.

The Secret Service and the local police are playing the blame game and refusing to admit their mistakes. But this whole scenario represents catastrophic incompetence and criminal negligence at best. The facts strongly suggest a more sinister explanation.”

From this point forward in the presentation of this article, I will attempt to list the failures of the security detail around Trump and show the time line of Thomas Crooks movements:

9:27 AM - Crooks enters a Bethel Park hardware store and buys a ladder.

10:00 - Crooks visits the Trump rally site and spends 70 minutes looking over the layout.

3:35 PM - Crooks returns to the rally site.

3:50 - Crooks flies a drone over the rally site for 11 minutes.

4:26 - A local police countersniper exits a building with his rifle, texting a local police group chat that an individual seated at a picnic table (Crooks) watched him do so.

5:10 - Another local countersniper posted at the American Glass Research (AGR) International building spots Crooks nearby.

5:14 - From the AGR second floor, the countersniper photographs Crooks below outside.

5:32 - The local countersniper photographs Crooks using a rangefinder; a photo of Crooks is circulated in the local police group chat.

Meanwhile police officers remove spectators who had gathered outside the AGR buildings to watch the rally through the fence. Crooks is either not among them or is able to soon return.

5:41 - Secret Service is notified about Crooks.

5:45 - Local police spot Crooks on AGR roof.

Meanwhile Crooks retrieves an AF-15-style rifle hidden on site and climbs onto the roof of the AGR building nearest the rally.

5:52 - Secret Service spots Crooks on AGR roof. MY STATEMENT: It would have been at this time that they should have taken him out of action.

5:59 - Secret Service agents confirm receipt of 5:41 notification from local police and request further information, rather than delaying or stopping Donald Trump from taking the stage. The local countersniper leaves his post to personally alert others to Crooks' presence.

6:02 - Trump takes the stage.

6:09 - Crooks has been on the AGR roof for 24 minutes. Bystanders have noticed him and have begun shouting to police.

6:10 - Trump deviates from his teleprompter script to call for a chart to be displayed and turns to look at it.

6:11 - Crooks fires a volley of eight shots, striking two audience members critically, one fatally and President Trump almost fatally.

It was only after Crooks had taken eight shots at Trump that a sniper on an adjacent roof killed him.

Now, let's look at some of the other evidence that is available from the security side of this incident. Steven Flurry stated, "The sheer number of security failures at this event was so staggering, it seems they had to have been deliberate. At the very least, federal agencies and law enforcement cleared the way for the gunman to get an open shot. As disturbing as this notion is, nothing makes sense unless someone on the inside wants Trump dead." Quoting Steven Flurry's next paragraph reads:

"It is not difficult to imagine someone having this malevolent motive. Just consider the train of failed attempts the political class has made to prevent Donald Trump from ever seeing office again: framing him for colluding with Russian oligarchs; impeaching him for seeking investigation into Biden family corruption in Ukraine; falsely accusing him of leading a violent insurrection after they stole an election; and a host of bizarre lawfare cases. Their increasing desperation to find some means of ending Trump's presidential aspirations has led many people to believe that their efforts were certain to escalate to a deadlier level.

Another statement made within this article follows: "Just days before the incident, Joe Biden publicly said it was 'time to put Trump in a bull's eye'." If I recall correctly when Joe Biden met the Pope, the Pope declared that he was a good Catholic. Notice that the Pope did not declare him to be a good Christian, instead he was a good Catholic. I guess that could be expected with the President's embracing of the LGBTQ community and the pro-choice murderers who support abortions as a woman's health issue. No wonder there are those who fully believe that the present administration is the third term for Mr. Obama.

Mr. Flurry (Stephen) went on in the article to address an action that took place in the House of Representatives in April of 2024. Here is that legislative action:

"Democrat Bennie Thompson, the ranking member of the House Committee on Homeland Security, introduced legislation in Congress in April to remove Donald Trump's Secret Service protection. Eight Democrats cosponsored his bill. This pro-

posed legislation was voted down, but the fact that nine Democrats tried to strip Trump of his Secret Service protection on grounds that he is a felon shows us that there is indeed a Democratic Party movement to starve Trump of security resources. That certainly sounds like ‘malice aforethought’.

Two anonymous sources within the Secret Service stated that Trump’s regular security detail had been overworked, so supplemental agents from different field offices were called in to staff his Butler Farm rally. This allegation was supplemented by a whistleblower report given to Sen. Josh Hawley showing that Trump’s security team was not all highly trained Secret Service agents; the Department of Homeland Security assigned low-skilled, inexperienced and unprepared security personnel to protect the former president.”

There were additional statements made by both a Canadian and a Green Beret sniper concerning the security failures. The Canadian said, ‘I have no doubts in my mind that the shooter had help from somewhere within an agency, an organization or the government.’ The Green Beret sniper said, ‘There’s absolutely no way possible that that kid was able to get up there and take those shots of the president without a lot of internal help.’

The shooter seemed to know that if he hid a gun at the Butler Farm Show Grounds, he could retrieve it and climb up on the unguarded roof of the AGR facility. This disturbing fact is either history’s greatest coincidence or else someone in government told him that.

It is difficult to avoid drawing the conclusion that the ‘Deep State’ thought its only option to prevent the Republican front runner from winning reelection was to kill him.

The facts of this case make it highly likely the assassination attempt was an inside job. A thorough understanding of Bible prophecy makes this probability an almost absolute certainty.”

My statement. During my twenty-seven year career with the United States Air Force, I had an assignment at the Army post, then known as Fort Bragg, at a command headquarters which had all four branches assigned. This headquarters was the parent of both Seal Team Six and Delta. I can tell you from personal experience that the members of Delta had to walk through their range on a regular basis. The range included pop-up targets and the layout was changed often. The pop-up targets would be hostile and friendly in their appearance and when one popped up a split second decision had to be made, did I shoot or not shoot. If you shot a friendly you were taken off the team and if you failed to shoot a hostile you were also taken off the team. I admired those men at that time, and now almost forty-five years later, I still admire those men. The pressure, stress, emotion and physical strength are amazing things each man had to face when going through the range.

Within the writings of the report concerning the assassination attempt there are few passages of scripture used to support the statement made by both Mr. Flurrys, Gerald and Stephen. However, when they get to the “Deep State” issue there are scripture passages that support their statements. Stephen Flurry used Daniel 8:11-12 to illustrate the “Deep State” in America. Here are those two verses as recorded in the King James. ¹¹ *Yea, **he** magnified himself even to the prince of the host, and by him the daily sacrifice was taken away, and the place of his sanctuary was cast down.* ¹² *And an host was given him against the daily sacrifice by reason of transgression, and it cast down the truth to the ground; and it practised, and prospered.* (KJV) Mr. Flurry states that the *he* referred to in verse 11, is an end-time type of Antiochus IV Epiphanes. Mr. Flurry continues and states that the host in these two verses refer

to an army of demons and evil men who help Antiochus. This is a prophecy about the army of bureaucrats, military leaders, intelligence agents, media moguls, tech entrepreneurs, Wall Street financiers and Chinese spies helping Obama fundamentally transform the United States, in other words, the “Deep State” managers and controllers. There is an interpretation of this vision in Daniel 8. For the sake of an attempt to provide you with knowledge, I am providing the full interpretation in Daniel 8:15-26 from the ESV, for ease of reading. ¹⁵ *When I, Daniel, had seen the vision, I sought to understand it. And behold, there stood before me one having the appearance of a man.* ¹⁶ *And I heard a man’s voice between the banks of the Ulai, and it called, “Gabriel, make this man understand the vision.”* ¹⁷ *So he came near where I stood. And when he came, I was frightened and fell on my face. But he said to me, “Understand, O son of man, that the vision is for the time of the end.”*

¹⁸ *And when he had spoken to me, I fell into a deep sleep with my face to the ground. But he touched me and made me stand up.* ¹⁹ *He said, “Behold, I will make known to you what shall be at the latter end of the indignation, for it refers to the appointed time of the end.”* ²⁰ *As for the ram that you saw with the two horns, these are the kings of Media and Persia.* ²¹ *And the goat is the king of Greece. And the great horn between his eyes is the first king.* ²² *As for the horn that was broken, in place of which four others arose, four kingdoms shall arise from his nation, but not with his power.* ²³ *And at the latter end of their kingdom, when the transgressors have reached their limit, a king of bold face, one who understands riddles, shall arise.* ²⁴ *His power shall be great—but not by his own power; and he shall cause fearful destruction and shall succeed in what he does, and destroy mighty men and the people who are the saints.* ²⁵ **By his cunning he shall make deceit prosper under his hand, and in his own mind he shall become great. Without warning he shall destroy many. And he shall even rise up against the Prince of princes, and he shall be broken—but by no human hand.** ²⁶ *The vision of the evenings and the mornings that has been told is true, but seal up the vision, for it refers to many days from now.”* (ESV) Ex-President Obama announced at the beginning of his term in office that his goal was to change America. Through two terms in office, he managed to begin this change toward a communistic state. With the assistance of Satan himself, Obama managed to align America with Iran, Russia and China’s desires to overthrow the United States, as what Iran calls the ‘Great Satan’, and the overthrow of Israel, what Iran calls the ‘Little Satan’. Joe Biden, as Obama’s puppet, continued the goals of Obama, and if Kamala Harris wins this forth coming election, you can bet the goals of Obama will be carried forward to the fourth term. The left, Woke, “Deep State”, abortion advocates, LGBTQ well wishers and the transgender pagan worshipers will have managed to deceive the voting population of America once again. However, I don’t think so! Once again, what does prophecy tell us? I would much more believe the Word of God instead of the misguided words of men. Mankind’s heart, by their very nature, is Satanic and against God. It is only by the regeneration of the heart, by faith and belief in Yeshua, that mankind has a free gift to break the ties to Satan and embrace the truth of Christ and His Father God.

Let’s continue looking at prophecy. Turn your Bible to 2 Kings 14:26-28. ²⁶ *For the Lord saw that the affliction of Israel was very bitter, for there was none left, bond or free, and **there was none to help Israel.*** ²⁷ **But the Lord had not said that he would blot out the name of Israel from under heaven, so he saved them by the hand of Jeroboam the son of Joash.**

²⁸ *Now the rest of the acts of Jeroboam and all that he did, and his might, how he fought, and how he restored Damascus and Hamath to Judah in Israel, are they not written in the Book of the Chronicles of the Kings of Israel?* (ESV) In the 2016 election, Donald Trump won by God’s intervention. God used Trump as a modern day Cyrus to break the spell of Obama. Trump fulfilled the actions God placed upon him. But, when the 2020 election came around, God allowed the election to be stolen just to correct the pride that existed. However, God’s Word now speaks of a prophecy that indicates that Trump will return to the White House, this time not as Cyrus, but as a type of Jeroboam II. Look at what

the verses above indicate. In verse 26, it states that there is no helper for Israel, yet the affliction of Israel was very bitter. However, verse 27 makes two dynamic statements. First, it states that ***the Lord had not said that he would blot out the name of Israel from under heaven***. Second, it states ***he saved them by the hand of Jeroboam***, that would be Jeroboam II.

Obama's goal, in changing America, is to blot out the name of Israel from under heaven. That is Satan's game plan to attempt to overthrow the throne of God. Satan believes that if he can do away with Israel as God's people, he proves God as a liar and wins the throne of God by default. That is the reason for the chanting of the slogan "From the River to the Sea, Palestine shall be free!" All the enemy nations fighting against God, and aligned with Satan, have this one objective in their mind and their goal. To those who do not believe that Donald Trump is a suitable agent to represent God and to be a part of His plan need to go back and look at their Bible again. Didn't God use Pharaoh, and Cyrus and Nebuchadnezzar for His purposes and call them His servants? Then please, tell me why God cannot use Donald Trump for His purposes? Why can't this be a correction from a loving God that is showing His people that they have gone too far in their misguided affair with Satan, and they need to repent and become obedient to Christ (Jesus or Yeshua). In fact, let's look at another passage from scripture, turn to Amos 7:7-8. ⁷ *This is what he showed me: behold, the Lord was standing beside a wall built with a plumb line, with a plumb line in his hand.* ⁸ *And the Lord said to me, "Amos, what do you see?" And I said, "A plumb line." Then the Lord said, "Behold, I am setting a plumb line in the midst of my people Israel; I will never again pass by them; As a watchman, I must show you the warnings. I cannot make you repent and turn toward a living and loving God. You must do that by your own decision. Notice what the last portion of verse 8 indicates, if there is no repentance in the heart of the people, God will not pass this way again. Now, if you don't believe that is what is meant by this verse read verse 9. ⁹ *the high places of Isaac shall be made desolate, and the sanctuaries of Israel shall be laid waste, and I will rise against the house of Jeroboam with the sword.*" (ESV) It sure sounds to me like God is very upset with the descendants of the House of Israel that are now living in America, and He will first use a corrective action to get people to understand. Donald Trump will be God's agent to assist in making America Great Again (sorry, but Donald Trump cannot do that by himself). Then the warning, if the correction doesn't work and man continues to rebel against God, then you face God's wrath. If you do not believe that God would do such a thing, you really need to go and read your Bible in its full context. Many times God corrected His people. He placed them in bondage in Egypt for over 300 years, He allowed them to become two nations and He sent the House of Israel into exile, of which they still have not returned to their homeland, but as I've already shown by the two sticks becoming as one, it will happen. He sent the House of Judah into exile in Babylon for a period of 70 years. There are also many places where God allowed a remnant of His people to remain and the majority were destroyed.*

I have attempted to warn and to show God's love for you. God has guided me to write over forty books or booklets to give you easy to read interpretations of Bible verses and stories. God gave these freely. He never said, I'll give you this for \$4.95 or anything else that was a requirement on my behalf. They were freely given and are freely available on my website at www.vqpub.org. If you desire to have a full understanding of the book of Daniel, or many other books of the Bible, go and see what is on the website.

Let me show you an illustration of what I'm attempting to teach you. I'm going to call an ace an ace and not pull too many punches. Why does the modern day Christian practice a counterfeit religion? You call yourselves Christian, meaning a follower of Christ, called by His Greek name of Jesus or His Hebrew name of Yeshua. Can you show me just one place in the New Testament where Christ worshipped the Father on a Sunday? Can you show me where any of the Commandments were changed in the New Testament? Can you show me just one place where Christ did not observe God's ordained feast days? Can you show me any place where it is stated that Christ was born on the 25th day of December?

Can you show me in the New Testament where this counterfeit day of celebrating Christ's death, called Easter, can occur on multiple days over a 28 day period? I can show you where every one of these days are something set by man and not by God, thus a counterfeit religion. Are you beginning to understand why God is upset and ready to pass judgement upon the entire human race? If the current turmoil that is going on at this moment, and most things currently point toward this date of November 5, 2024, don't you care what is happening?

Consider these questions. I said I could show you the answers. For my first question, there is no place that the day of worship was changed from the true Sabbath to what some call "The Christian Sabbath", Sunday. Let's go back to the Ten Commandments as given to Moses in the wilderness. We can find the Ten Commandments in Exodus chapter 20, and we find the Commandment concerning the Sabbath between verses 8 and 11. ⁸ *"Remember the Sabbath day, to keep it holy. ⁹ Six days you shall labor, and do all your work, ¹⁰ but the seventh day is a Sabbath to the Lord your God. On it you shall not do any work, you, or your son, or your daughter, your male servant, or your female servant, or your livestock, or the sojourner who is within your gates. ¹¹ For in six days the Lord made heaven and earth, the sea, and all that is in them, and rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy.* (ESV) I was raised in a Christian environment just as you were, and also taught that the day of worship was Sunday. Why, at that time, we had the "Blue Laws" and most businesses were closed on Sunday. You might be able to find one gas station open and one drugstore. Everything else was closed until Monday morning. Nowadays, there are many stores that are open around the clock, 24 hours a day and seven days a week. But, how did the Lord's Sabbath become a Sunday day of worship? It most certainly is not something that was changed within the context of the Bible. You cannot find any one point, in either the Old or the New Testaments, that God's Sabbath was changed from Sundown on Friday to Sundown on Saturday, to a Sunday. The fact remains that it was man who changed God's day of worship. The mother church, the Catholic Church, put pressure upon Emperor Constantine to make this change in 324 CE. Constantine was a sun god worshiper and was happy to honor his god with this change. However, my God knew beforehand that this would happen and He made this one Commandment a little stronger through a second covenant. I know, you think I really have gone off the deep end with that statement. Please, allow me to show you. We know that the Ten Commandments are found in Exodus chapter 20, and we placed the verses for this commandment above. Now, turn your Bible over eleven chapters to Exodus 31:12-18. ¹² *And the Lord said to Moses, ¹³ "You are to speak to the people of Israel and say, 'Above all you shall keep my Sabbaths, for this is a sign between me and you throughout your generations, that you may know that I, the Lord, sanctify you. ¹⁴ You shall keep the Sabbath, because it is holy for you. Everyone who profanes it shall be put to death. Whoever does any work on it, that soul shall be cut off from among his people. ¹⁵ Six days shall work be done, but the seventh day is a Sabbath of solemn rest, holy to the Lord. Whoever does any work on the Sabbath day shall be put to death. ¹⁶ Therefore the people of Israel shall keep the Sabbath, observing the Sabbath throughout their generations, as a covenant forever. ¹⁷ It is a sign forever between me and the people of Israel that in six days the Lord made heaven and earth, and on the seventh day he rested and was refreshed.' "*

¹⁸ *And he gave to Moses, when he had finished speaking with him on Mount Sinai, the two tablets of the testimony, tablets of stone, written with the finger of God.* (ESV) What part of generations didn't you understand? Mankind has been producing generations for almost 6,000 years, and I don't think they are going to stop tonight or tomorrow. Let's try two other words used in these verses. What part of covenant or forever didn't you understand? Don't you see that what you have been taught is incorrect? I know I had a difficult time with this because it was what my grandparents taught, it was what my parents taught. How many generations have been deceived by Satan over this one Commandment? How did we get so far from the truth that we now honor a counterfeit Commandment?

Well, if this is true, am I also correct on my other questions? Let's look, why do I believe and say the things that I say? Can I also support answers to my other questions from Biblical text? My second question dealt with the full Ten Commandments and not just the 4th Commandment. If you are Catholic your denomination is the only known denomination that changed the Ten Commandments in your Biblical text. The Catholic Bible removed the 4th Commandment concerning the Sabbath and split the last command pertaining to coveting certain things. My next question pertained to God's ordained feasts days. Let's just take one feast day. It was the Lord's Passover that the Last Supper was all about. It can be shown from Biblical text that Jesus observed other feast days. The next question pertained to Jesus' birthday. The birth of Christ did not occur on the 25th day of December. Actually, that is a pagan feast day to celebrate the winter solstice. Through the text of the Bible, mankind can figure that Jesus was born sometime around the fall feast days in late September or early October. Finally, because of different viewpoints between the Catholic and Orthodox practices, this was another of Constantine's edicts. He charged the priest at Alexandria in Egypt to set the date for this feast. What they came up with was a movable holiday based upon a lunar cycle. This day called Easter was to be the first Sunday after the full moon, after the Spring Equinox. It certainly sounds like it has nothing to do with God's feast day called Passover, which has a set date for observance, the 14th of Nisan.

Let's view a few things from the Jewish calendar since we have stated when the feast of Passover is to take place. The current year on the Jewish calendar is 5784 and will change to 5785 on the 1st of Tishrei (our month called October, 2024). I do not know how the yearly date was started or when it actually started. However, it is interesting that God gave to mankind 6,000 years to establish a God-fearing government on earth. Well, that hasn't worked too well at all and everyone should understand that we are in the season of the Lord's return. Even Jesus (Yeshua) said the only one who knows that date is God Himself. Even the Son doesn't know that date. The reason that this has been withheld is because of Satan. Recall that Satan knows the Bible. Satan wants to claim the throne of God, and he is lying, deceiving and using anything else that he can think of to claim the throne of God by default. He must prove that God lied at some point. He could do this if he could get rid of all the Jews. He could do this if the land of Israel was taken from the Jews, or he could do this if he could prove that any one promise made by God was not fulfilled. What God has said God will keep His word toward all promises made. So, if God has said in prophecy that such and such will happen, you can rest assured that at the appointed time those promises will come together and be fulfilled. Let's go back to our study of the Jewish calendar. Here is another simple statement that you most likely have not heard in a church service. Peter said in 2 Peter 3:8-9, *⁸ But do not overlook this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day. ⁹ The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance.* (ESV) We should also recall from Genesis the original seven days of creation. Review Genesis 2:1-3. *¹ Thus the heavens and the earth were finished, and all the host of them. ² And on the seventh day God finished his work that he had done, and he rested on the seventh day from all his work that he had done. ³ So God blessed the seventh day and made it holy, because on it God rested from all his work that he had done in creation.* (ESV) Why the two comparisons? Didn't God create all things in six days and rested on the seventh? Didn't God give mankind 6,000 years to form a working and loving system of government? Aren't there those of mankind who want a one government system to be controlled by an elite group? Do you really think that such a system would be a utopian society? I just don't think so, however, there will be a one-world government system. It will be the final 1,000 years under the reign of Christ who rules as King of kings and Lord of lords. It will be God's seventh day of rest. Remember a day is like a thousand years and a thousand years is as a day, with God.

Be very concerned about this upcoming election in November. **VOTE!** Do not be slack and not vote, and do not be surprised at the final outcome of this election. Is God protecting Donald Trump for a reason?

Other Facts to Report From *The Trumpet*

I must admit that I have been reading *The Trumpet* since the early 1990's. I guess that would make about 33 years that I have been following the writings of Gerald Flurry and later his son, Stephen. The first two articles in the September, 2024 issue are directly about Donald Trump, however, things change slightly and there are other articles that relate to these first two articles. The next article concerns the United States Supreme Court and some of the recent decisions which the court has made that affect Donald Trump and his bid for reelection as President. Before I even begin to review the remaining articles, I must state that in the 33 years of reading *The Trumpet*, and in my opinion, this is the most dynamic, hard-hitting issue that they have ever printed. Let's look at the decisions made recently by the Supreme Court and the reasons.

In *Trump v. United States*, decided on July 1, the court ruled in accordance with the Constitution that a president has legal immunity for all official acts. Mr. Flurry (Gerald) wrote this article, and once again, I quote his writings on this subject.

“Leftists screamed that the court was giving Trump immunity to be a criminal—even, some argued, to *execute* his political enemies! That is absurd. This ruling aimed simply to stop the endless lawfare being unjustly waged against this man. If a president can be prosecuted for constitutional actions, then his detractors would be dragging him into court all the time and even jailing him for doing his job!”

Andrew Miller wrote the sidebar information pertaining to the actions of the Supreme Court and I quote his replies toward the following sidebar statements.

“In the *Trump v. United States* case decided on July 1, the Supreme Court held 6-3 that presidents have absolute immunity from prosecution for official actions taken within their constitutional authority. This clarifies and confirms the constitutional authority of the presidency.

The U.S. ‘constitutional structure of separation of powers’ makes the president responsible and accountable for enforcing federal laws. If a president takes action to fulfill this constitutional obligation, of course he is immune from prosecution. As the Constitution provides, Congress can impeach the president, or the Supreme Court can declare his actions unconstitutional. But a special prosecutor has no authority to arrest the chief executive.”

The president is the sole source of executive power in the federal government. He cannot usurp Congress’ legislative power or the court’s judicial power, but he is the repository of executive power and unaccountable to lesser executive officials such as the attorney general.”

Mr. Miller next addresses the actions of those who protested at the capital building on January 6, 2021. Once again I quote from the sidebar response.

“In the *Fischer v. United States* case decided on June 28, the Supreme Court ruled 6-3 that the Department of Justice used an irrelevant law to prosecute Americans who protested the 2020 election at the Capital on January 6, 2021.

The Supreme Court’s majority opinion held that the Department of Justice ap-

plied the statutes of the Sarbanes-Oxley Act far too broadly. Since the protesters merely trespassed on Capital grounds—many of them after Congress had gone into recess—and destroyed no records or documents, they should have never been charged under this law.

As many conservatives have noted, on January 6, the only way President Trump could expose what had happened in the 2020 presidential election was for the ‘official proceeding’ of congressional certification, as provided for by law, to continue undisturbed while representatives and senators introduced and debated the evidence of election fraud. The riot at the Capital was not intended to keep Trump in the presidency, but to force him out. The only ones who benefited from the chaos at the Capital were radical leftists trying to keep evidence of election fraud from being uncovered. This is the real reason prosecutors like Jack Smith keep going after the January 6 protestors. This case gives Trump the chance to win reelection and finish the election fraud investigations he started.”

The next case that Mr. Miller addresses is the *Loper Bright Enterprises v. Raimondo* case. Once again I quote Mr. Miller.

“In the *Loper Bright Enterprises v. Raimondo* case decided on June 28, the U.S. Supreme Court held 6-3 that executive branch agencies may no longer interpret their own application of a law.

Under the Constitution, Congress makes laws (Article 1), the president enforces them (Article 2), federal courts judge the application of federal laws to specific cases (Article 3). Most powers are reserved to the states (Article 4) or to the individual citizen (Amendments 1-10). Yet the federal government now dominates the states, the executive branch dominates the federal government, and bureaucratic agencies dominate the executive branch including to a large degree, the presidency.

This bureaucratic state is nowhere sanctioned in the Constitution, yet it has amassed legislative, executive and judicial powers within itself and exerts more control over U.S. citizens than the other three branches. . . .

This entity is called the civil service, and it was created to limit the power of the president. . . . Carl Schurz, a German-born Union Army General proposed the idea of a nonpolitical civil service.

Schurz’s plan was meant to create a professional civil service and limit political favoritism, yet it ended up creating an entire fourth branch of government that was neither elected by the people nor accountable to them. . . .

Government records show that since 1976, the people’s elected representatives in Congress have passed 12,340 laws. Meanwhile, the Internal Revenue Service, Environmental Protection Agency and other executive departments and agencies have issued 215,405 rules and regulations. For every law passed by elected representatives, unelected bureaucrats add 17 regulations. The U.S. has evolved away from a constitutional republic into a technocracy run by bureaucrats and intelligence agents.”

The above article should be something every American finds troubling. Our forefathers, who drafted the Constitution and our Bill of Rights, would most likely turn over in their graves as to what has happened to the Judo-Christian principals placed into the covenant document this nation made with God. I most certainly did not understand the full impact of the statements made in this issue of *The Trumpet*. Yes! I understood that there was a civil service connected to our government, but I hadn’t

understood that civil service had become the “Deep State” controlling our government from an unconstitutional fourth branch of government. Maybe, just maybe, God is allowing Trump an opportunity to dismantle some of this unconstitutional fourth branch. Praise God for His wisdom and actions!”

Continuing with the sidebars of Mr. Miller, we come to the *Trump v. Anderson* case. Again I quote Mr. Miller.

“In the *Trump v. Anderson* case decided on March 4, the United States Supreme Court ruled 9-0 that only Congress, not the states, can determine eligibility for federal office under Section 3 of the 14th Amendment, overruling attempts by the state of Colorado and other states to block President Donald Trump from the ballot.”

There is one other court case that is used in this issue of *The Trumpet*. This one is from the District Court in Florida. Mr. Miller addresses the action of the District Court and the outcome of the case. I quote:

“The *United States of America v. Donald J. Trump, Waltine Nauta and Carlos De Oliveira* case was decided on July 15. U.S. District Court Judge Aileen Cannon dismissed the case on the grounds that the office of special counsel itself is a violation of the U.S. Constitution. Judge Cannon made this ruling after reading the July 1 Supreme Court ruling on *Trump v. United States*. In a concurring opinion, Justice Clarence Thomas made a vital point. ‘The default manner for appointing officers of the United States is nomination by the president and confirmation by the Senate’.”

There is one more article that I find most interesting in this issue of *The Trumpet*. Joel Hilliker writes an article entitled *A Revolutionary Form of Government*. I quote extracts from his article.

“Throughout history, people have realized that society needs government. Every man for himself descends into chaos. Yet human governments bring their own problems.

The major reason this world’s systems of government fail is that they are concocted and administered by human beings under the sway of Satan the devil. Not only has Satan subjected humanity to oppressive, inept, selfish governments for millenniums, he is deceiving us into hating and rejecting all forms of authority, especially God’s government.

God has been called the ‘Author of government’. God is the supreme and only perfect Lawgiver.”

James 4:12, ¹² *There is one Lawgiver, who is able to save and to destroy. Who are you to judge another?* (NKJV)

“This very fact of law presupposes government. Government is the administration and enforcement of law by one in authority. This necessitates authoritative leadership, one in command. Even between God, the Father and Jesus Christ, the Son clearly spoke of how the Father holds higher authority.”

John 14:28, ²⁸ *You heard me say to you, ‘I am going away, and I will come to you.’ If you loved me, you would have rejoiced, because I am going to the Father, for the Father is greater than I.* (ESV)

“The government of God is, of necessity, government from the top down. It cannot be ‘government by the consent of the governed’. Its laws originate and are handed down from God, never legislated by the people, never dictated by the governed as to how the government over them shall rule them. The government of God is based on the law of God, which is the way of life of outflowing love, cooperation, concern for the good of the governed. And this law of God produces peace, happiness, and cooperation through obedience. The Bible reveals that the law can be summarized by the one word love, subdivided into love toward God and love toward neighbor.”

Matthew 22:36-40, ³⁶ “Teacher, which is the great commandment in the Law?” ³⁷ And he said to him, “You shall love the Lord your God with all your heart and with all your soul and with all your mind. ³⁸ This is the great and first commandment. ³⁹ And a second is like it: You shall love your neighbor as yourself. ⁴⁰ On these two commandments depend all the Law and the Prophets.” (ESV)

“Jesus magnified this law by showing how its principle expands to cover virtually every possible human infraction. It is so perfect that, by applying its principle, it is a complete law.’

The principle of God’s government is based on the fact that God is at the top. It is government for the people, but it is not by the people. The authority emanates from God, and He delegates it to whom He chooses in order to administer and enforce His law.

To implement God’s system of government, each individual in office must be a righteous person who exhibits godly character. Many people have come to believe that the character of a leader doesn’t matter, what matters is that he or she knows how to lead. To God, this is ludicrous.

Throughout the Bible, God concerns Himself with character most of all, not talent, not charisma, not ambition, not some magical ‘ability to lead’.”

1 Timothy 3:1-7, ¹ This is a faithful saying: If a man desires the position of a bishop, he desires a good work. ² A bishop then must be blameless, the husband of one wife, temperate, sober-minded, of good behavior, hospitable, able to teach; ³ not given to wine, not violent, not greedy for money, but gentle, not quarrelsome, not covetous; ⁴ one who rules his own house well, having his children in submission with all reverence ⁵ (for if a man does not know how to rule his own house, how will he take care of the church of God?); ⁶ not a novice, lest being puffed up with pride he fall into the same condemnation as the devil. ⁷ Moreover he must have a good testimony among those who are outside, lest he fall into reproach and the snare of the devil. (NKJV); Titus 1:5-9, ⁵ For this reason I left you in Crete, that you should set in order the things that are lacking, and appoint elders in every city as I commanded you—⁶ if a man is blameless, the husband of one wife, having faithful children not accused of dissipation or insubordination. ⁷ For a bishop must be blameless, as a steward of God, not self-willed, not quick-tempered, not given to wine, not violent, not greedy for money, ⁸ but hospitable, a lover of what is good, sober-minded, just, holy, self-controlled, ⁹ holding fast the faithful word as he has been taught, that he may be able, by sound doctrine, both to exhort and convict those who contradict. (NKJV)

“What God’s government does not do! God warned in 1 Samuel 8 that a human led government would be oppressive. It would introduce burdensome taxes, becoming bloated and centralized. God’s government is far more generous, far less intrusive and far more interested in the prosperity and happiness of the people. Consider some things God’s government does not do, things that become very problematic when governments do them.

God's government does not manage people's money, neither for health care nor retirement. God's government does not own or run businesses that compete with businesses run by private industry. God's government facilitates wealth creation rather than interfering with it.

God's government does not legislate new laws. God only has about 600 laws. Man's government constantly creates new laws. A godly administration has no legislature. In ancient Israel, if Moses needed guidance in a matter, he could not discern from the existing law, he appealed to God, who gave him judgments in accordance with the existing law. That's how God's government works.

We have already seen that there is only one Lawgiver: God (James 4:12). Governmental positions under the Lawgiver are administrative, administering the law of God that already exists.

God's government is simple. It teaches the law, and it administers and enforces the law. That is why it can operate on such a limited budget. It stays out of people's business as they strive to keep the law. In the Millennium, people will tithe and give offerings the same as God's people do in God's Church today. Wealth will grow. Justice, equity and peace will spread.

Jesus Christ is about to return and take His place as King of kings, governing all the Earth. You can read about this in the wonderful prophecy in Isaiah 9:6-7."

Isaiah 9:6-7, ⁶ *For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.* ⁷ *Of the increase of His government and peace There will be no end, Upon the throne of David and over His kingdom, To order it and establish it with judgment and justice From that time forward, even forever. The zeal of the Lord of hosts will perform this.* (NKJV) We see in these two verses of prophecy that there is a time coming when God's government will be established under the authority of Christ (Jesus or Yeshua). This government will be ordered, with all judgement and justice forever.

Now, that is a clear cut prophecy that demonstrates the intent of God and His powerful love for His Creation. However, as we have gone through this issue of *The Trumpet*, we see the hand of God moving to bring Donald Trump back to the presidency of the United States in the capacity and style of Jeroboam II. God is doing this for a reason. He is giving Great Britain and America one final chance to repent, correct their lifestyle to that of righteousness and accept Christ as their Lord and Savior. We understood this statement of this being a final chance in the verses from Amos 7. But, there is more that is said in this prophecy from Isaiah 9. Read the rest of that chapter in the verses from 8-21. Once again, this is prophecy and if God has said it, God will perform the actions necessary to complete the promise, be it for grace or by His wrath. Here are those verses. ⁸ *The Lord sent a word against Jacob, (Jacob in this case means all Israel.) And it has fallen on Israel.* (Israel in this case is the House of Israel or the ten northern tribes.) ⁹ *All the people will know—Ephraim and the inhabitants of Samaria— (Ephraim in this case are the English speaking people in Great Britain, Canada, Australia and New Zealand.) Who say in pride and arrogance of heart:* ¹⁰ *"The bricks have fallen down, But we will rebuild with hewn stones; The sycamores are cut down, But we will replace them with cedars."* ¹¹ *Therefore the Lord shall set up The adversaries of Rezin against him, And spur his enemies on,* ¹² *The Syrians before and the Philistines behind; And they shall devour Israel with an open mouth. For all this His anger is not turned away, But His hand is stretched out still.* ¹³ *For the people do not turn to Him who strikes them, (The His or Him used here is God Himself.) Nor do they seek the Lord of hosts.* ¹⁴ *Therefore the Lord will cut off head and tail from Israel, Palm branch and bulrush in one day.* ¹⁵ *The elder and honorable,*

he is the head; The prophet who teaches lies, he is the tail. ¹⁶ *For the leaders of this people cause them to err, And those who are led by them are destroyed.* ¹⁷ *Therefore the Lord will have no joy in their young men, Nor have mercy on their fatherless and widows; For everyone is a hypocrite and an evildoer, And every mouth speaks folly. For all this His anger is not turned away, But His hand is stretched out still.* ¹⁸ *For wickedness burns as the fire; It shall devour the briers and thorns, And kindle in the thickets of the forest; They shall mount up like rising smoke.* ¹⁹ *Through the wrath of the Lord of hosts The land is burned up, And the people shall be as fuel for the fire; No man shall spare his brother.* ²⁰ *And he shall snatch on the right hand And be hungry; He shall devour on the left hand And not be satisfied; Every man shall eat the flesh of his own arm.* ²¹ *Manasseh (Manasseh is America.) shall devour Ephraim, and Ephraim Manasseh;* (It appears that there will be a time when America and Great Britain will be at odds against each other. There is one more thought that everyone should also remember. Manasseh and Ephraim are the two sons of Joseph, the holder of the birthright of Israel.) *Together they shall be against Judah.* (Judah, as used here, means the present day country of Israel, the Jews or the House of Judah. This verse also foretells of the coming day when neither Great Britain or America will stand with Israel and provide support to Israel.) *For all this His anger is not turned away, But His hand is stretched out still.* (NKJV) There are very powerful statements made in these verses. God still does not desire for anyone to spend eternity in Hell and does desire for all to come to repentance. It is every person's personal choice on where they will spend eternity, either in the New Jerusalem Kingdom of Heaven, or in Hell. I now return to the quotation from Mr. Hilliker's writings as presented in *The Trumpet*.

“The Bible is full of beautiful prophecies describing conditions that will result when this government is set up by Christ at the beginning of the Millennium. Notice how this new world government will function. All officials will be appointed by Christ, who reads and knows men's hearts, their inner character, and abilities or lack of ability. You'll find a description of Christ's supernatural insight into the very character of others in Isaiah 11:2-5.”

Isaiah 11:2-5, ² *The Spirit of the Lord shall rest upon Him, The Spirit of wisdom and understanding, The Spirit of counsel and might, The Spirit of knowledge and of the fear of the Lord.* ³ *His delight is in the fear of the Lord, And He shall not judge by the sight of His eyes, Nor decide by the hearing of His ears;* ⁴ *But with righteousness He shall judge the poor, And decide with equity for the meek of the earth; He shall strike the earth with the rod of His mouth, And with the breath of His lips He shall slay the wicked.* ⁵ *Righteousness shall be the belt of His loins, And faithfulness the belt of His waist.* (NKJV)

“Think of this government. No money wasted on political campaigns. No splits in political parties with quarreling and hatreds. In fact, there will be no political parties!

Christ and His governing Family will bring about this utopia through two basic courses of action. 1) All crime and organized rebellion will be put down by force, divine supernatural force. 2) Christ will then set His hand to reeducate and to save, or spiritually convert, the world.

On the first point, the most important step Christ will take is to depose and imprison Satan, the devil, ‘the god of this present world,’ whose evil influence manifests itself in human nature in all of mankind's interactions. Satan's removal from his earthly presence will immediately change the course of the world. But whatever of man's stubbornness and unteachability remains, Christ will confront by ruling with a ‘rod of iron.’”

“As for the second action, once human nature is eliminated God will be able to write His law on people’s hearts. This is illustrated in both the Old and New Testaments. We find this statement, from the Old Testament, in Jeremiah 31:33-34.”

Jeremiah 31:33-34, ³³ *But this is the covenant that I will make with the house of Israel after those days, declares the Lord: I will put my law within them, and I will write it on their hearts. And I will be their God, and they shall be my people.* ³⁴ *And no longer shall each one teach his neighbor and each his brother, saying, ‘Know the Lord,’ for they shall all know me, from the least of them to the greatest, declares the Lord. For I will forgive their iniquity, and I will remember their sin no more.”* (ESV) There are two locations we can basically find the same statement in the New Testament. The first location is Hebrews 8:10-12, ¹⁰ *For this is the covenant that I will make with the house of Israel after those days, declares the Lord: I will put my laws into their minds, and write them on their hearts, and I will be their God, and they shall be my people.* ¹¹ *And they shall not teach, each one his neighbor and each one his brother, saying, ‘Know the Lord,’ for they shall all know me, from the least of them to the greatest.* ¹² *For I will be merciful toward their iniquities, and I will remember their sins no more.* (ESV) Yes! This is all true, but mankind must first repent and accept Christ as Lord and be obedient to the Laws of God! The third location of this statement is also in Hebrews, chapter 10. Hebrews 10:16-18, ¹⁶ *“This is the covenant that I will make with them after those days, declares the Lord: I will put my laws on their hearts, and write them on their minds,”* ¹⁷ *then he adds, “I will remember their sins and their lawless deeds no more.”* ¹⁸ *Where there is forgiveness of these, there is no longer any offering for sin.* (ESV)

“When God’s laws are in our heart, when we love God’s ways, and in our heart want to live by them, human nature will be put under subjection, people will want to live the way that is the cause of peace, happiness, abundance and joyful well-being.

With the Prince of Peace overseeing a government of righteous, incorruptible leaders administering a perfect law of love, with satanic forces stopped and true education universal, with all individuals worldwide developing a loving, personal relationship with the one and only true God, a truly utopian world will result! Scripture amply describes life brimming over with agricultural abundance, efficient economies, universal literacy, robust health, satisfying work, elegant cities, spectacular architecture, clean energy, happy families and harmonious communities. God’s government will produce all these conditions and lead all human beings to fully realize their incredible, God-given potential!”

That concludes what I gleaned from the September, 2024 issue of *The Trumpet*. I can only hope and pray that you found these articles to be as interesting and informative as I did. But, the question remains, what are you going to do with this information? If you are already a believer of Christ, I can only pray that my questions pertaining to a counterfeit religion has sparked a question within you to find the truth. How did these things that I have questioned affect you? I pray that you will seek answers for yourself. As for the principle articles pertaining to Donald Trump, I pray that God leads you toward a righteous answer. If you have to question in your mind that Donald Trump was protected by God for a purpose then you really haven’t fully understood the significance of this upcoming presidential election. Look at the actions that Satan is taking to push the lies and deceptive practices of the DNC and the left to do anything and everything to keep Donald Trump from winning this election. Take a moment and do a little soul searching within yourself. Do you support the LGBTQ cause? Do you support the abortion issue? Are you in agreement with all this nonsense of gender identity? Do you go along with

the amount of crime that is going on in America? Do you understand the control the 'Axis of Evil' wants to have over the whole Earth? My website is freely open and there is no charge for any of the material that is on my site. If you have questions, please visit www.vqpub.org and look at what God has given me to write. If you still have questions, either send an email or write a letter and ask your question.

I fully believe God is protecting Donald Trump to be the reelected President of the United States, and the Democratic side of the issues fabricate more lies against our great nation, and against democracy in general, than I even want to think about. I can only ask that my words do not affect you in a negative manner. Look to God for the truthful answers.
